#### Explanatory Notes on Special Business

- Proposed retention of independent Directors (Ordinary Resolutions 7 and 8)

The Board and the Nomination Committee have assessed the independence of Mr. Arnold Kwan Poon Keong who has served as an independent Director of the Company for a cumulative term of more than nine (9) years whereas Mr. Chang Cheng Wah, who has served as an independent Director of the Company for a cumulative term of more than twelve (12) years, and recommended them to continue to act as independent Directors of the Company based on the following justifications:-

- They have fulfilled the criteria under the definition of independent Director as stated in the Main Market Listing Requirements of Bursa Malaysia Securities Berhad and thus, are able to provide a check and balance by bringing an element of objectivity and independent judgement to the Board's deliberation. Further, they have exercised due care and diligence during their tenure as independent Directors of the Company and have carried out their duties professionally and objectively in the best interest of the Company and shareholders;
- They bring with them vast experience and expertise to complement the competencies of the other Directors to enhance boardroom discussion and decision;
- They have been with the Company for more than nine (9) and twelve (12) years respectively, are familiar with the nuances and understand the Group's business operations; and
- The Company does not wish to carry out the two-tier voting and the reasons for this departure can be found under Practice 4.2 of the Corporate Governance Report.

- Authority to issue Shares (Ordinary Resolution 9)

The proposed Ordinary Resolution 9 will give power to the Directors of the Company to issue ordinary shares in the capital of the Company up to an aggregate amount of not exceeding 10% of the total number of issued shares of the Company for the time being for the purpose of increasing the capacity of current business operations for long term growth and to cater for additional working capital requirements in line with the Company's expansion and diversification plans. This is a renewal of a general mandate. The Company did not utilise the mandate granted in the preceding year's Annual General Meeting ("AGM") and accordingly no proceeds were raised. This authority, unless revoked or varied at a General Meeting, will expire at the next AGM of the Company.

- Proposed Renewal of Share Buy-Back Authority (Ordinary Resolution 10)
